Ahiah Center for Spiritual Living Pasadena

About Rev. Charles David Rose, Senior Minister

Spiritual Director and Senior Minister Rev. Charles D. Rose, is Ahiah's resident Change Agent! Prior to joining Ahiah, Rev. Charles was an active founder with Agape Spiritual Center. His experience there provided him with the tools to be open and willing to the Master Plan and all of the turns one is called to make during spiritual evolution.

Before he moved into his career as a Spiritual Leader, Charles Rose earned a degree in Business Administration from Morehouse College. Afterwards, he served for many years in Corporate America. There, he facilitated change in organizations and with individuals. An avid student of metaphysics and Bible wisdom, he connected with like-minded individuals interested in pursuing spiritual studies. This group later became the founding member of Agape. In 1989, the Pasadena Church of Religious Science (now Ahiah CSL) posted an Open Pulpit call for Candidates. His passion for metaphysics, powerful pulpit presence and business acumen won over the congregation. He was anointed, appointed and approved and upon joining as the Senior Minister, was ordained at Ahiah. Rev. Charles is a student of life and shares his life lessons, observations, discoveries and experiences with humor and insight. His pulpit style is inspiring and empowering. With added sprinkles of humor and metaphysical Truth, he effortlessly expands the listener's awareness of their relationship to God and Universal Principals. His approach is motivating and inspires a more active, deeper commitment to and exploration of the personal spiritual journey.
